

Consultancy is not about standard procedures.  
It's about ...

s e e i n g

t h i n k i n g

m a t c h i n g

... and understanding each client's needs.

## About us ...

Ascent Group is a consultancy group that was created in order to answer to the need of high-quality consultancy services for foreign investors within Eastern Europe.

Through its companies, Ascent Group offers professional consultancy services for business domains such as: human resources issues, training, fiscal and legal assistance, communication and IT.

Our group is based on high-level consultants, with international experience, offering high-quality services that are personalized according to each client's needs.
